

Ameron Traditional Series Monterrey Poles

Available in base plate style

The Monterrey pole captures the romance of the Old West. From its stepped buttresses and multiple cornices to the optional unique bell-shaped luminaries, this pole represents an artistic blending of designs from Spain, Mexico and the American West.

This timeless design complements both traditional and contemporary settings. Our Ameron Traditional Series lighting poles combine the charm of yesterday with the technology of today. Available in a wide variety of styles, colors, and finishes, these poles provide architects and designers with many creative options.

Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength and durability
- Natural stone and terrazzo aggregates maintain a like-new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM, and IBC standards
- Exclusive 10-year warranty

Colors and Finishes

A wide range of standard, preformulated, and custom colors are available. The concrete shafts are lightly blasted to expose the texture and color of the natural stone. See separate aggregates and finishes sheet for details. We offer Amerishield, a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface, and aid in the removal of graffiti.

Durability with a classic touch

Base plate style - Information

Catalog number	Pole height "A"	Top OD	Base OD	Anchor bolt	Bolt circle	Base plate (Sq)	Ultimate GL moment (ft/lb)	Pole weight (lb)
9CT14	13' 10"	9"	24"	3/4" 18" x 4"	31 1/2"	24"	26,800	1,850
9CT17	17' 6"	8.5"	24"	3/4" 18" x 4"	31 1/2"	24"	26,800	2,125
