

Durability with a classic touch.

Available in
base plate and
embedded styles.

Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength and long-term durability
- Natural stone and terrazzo aggregates maintain a like new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM and PCI standards
- Exclusive 10-year warranty

Colors and Finishes

A wide range of standard, pre-formulated and custom colors are available. The concrete shafts are lightly blasted to expose the texture and beauty of the natural stone. See separate Aggregates and Finishes sheet for details. We offer Amerishield™, a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface and aid in the removal of graffiti.

Victorian VIII Pole

This decorative base Victorian pole has a tapered octagonal shaft and a slender step base. Our Victorian VIII displays favorably in either a contemporary or a traditional environment.

Our Victorian Series lighting poles combine the charm of yesterday with the technology of today. Available in a variety of configurations, colors and finishes, the Victorian Series provides architects and designers with many creative options.
