

# Ameron

## Traditional Series

### Washington Poles

#### Available in base plate style

In 1910 the Commission of Fine Arts in Washington D.C. designed the simple, classically fluted lighting standard on which the Ameron Washington pole is based. Our version of the classic design is available in durable, low-maintenance, prestressed, and spun-cast concrete that retains its beauty for many years even in the most severe weather conditions.

This timeless design complements both traditional and contemporary settings. Our Ameron Traditional Series lighting poles combine the charm of yesterday with the technology of today. Available in a wide variety of styles, colors, and finishes, these poles provide architects and designers with many creative options.

#### Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength and durability
- Natural stone and terrazzo aggregates maintain a like-new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM, and IBC standards
- Exclusive 10-year warranty

#### Colors and Finishes

A wide range of standard, pre-formulated and custom colors are available. The concrete shafts are lightly blasted to expose the texture and color of the natural stone. See separate Aggregates and Finishes sheet for details. We offer Amerishield a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface, and aid in the removal of graffiti.

#### Durability with a classic touch

**Base plate style - Information**

Catalog number	Pole height "A"	Top OD	Base OD	Anchor bolt	Bolt circle	Base plate (Sq)	Ultimate GL moment	Pole weight (lb)
26CT10	9' 6"	5 <sup>3</sup> / <sub>8</sub> "	21"	3/4" x 18"x4"	24"	22 <sup>1</sup> / <sub>2</sub> "	12,000	450
26CT12	12'	5 <sup>3</sup> / <sub>4</sub> "	21"	3/4" x 18"x4"	24"	22 <sup>1</sup> / <sub>2</sub> "	12,000	480
26CT14	14' 6"	5 <sup>1</sup> / <sub>4</sub> "	21"	3/4" x 18"x4"	24"	22 <sup>1</sup> / <sub>2</sub> "	12,000	510
